

Floating Bonus Terms & Conditions

Version: 1.3

November 2023

Definitions

“Company” means ForexVox (Seychelles) Financial Services Ltd, incorporated and registered under the laws of Seychelles with Company number 8430368-1 and having its registered address at CT House, Office 9A, Providence, Mahe, Seychelles. The Company is authorized and regulated as a Securities Dealer by the Financial Services Authority under Securities Dealer license number SD142.

“Floating Bonus” means ForexVox Floating Bonus promotion, terms and conditions for which are described in these Terms.

“Terms” means these Floating Bonus Terms & Conditions.

1. Introduction

1.1. ForexVox (Seychelles) Financial Services Ltd. is a Company incorporated and registered under the laws of Seychelles with Company number 8430368-1. The Company is authorized and regulated as a Securities Dealer by the Financial Services Authority under Securities Dealer license number SD142.

1.2. These Terms shall supplement and make an integral part of the Client Services Agreement. All capitalized terms not defined in these Terms shall have the same meaning as in the Client Services Agreement. All matters not covered by these Terms shall be resolved according to the Client Services Agreement.

2. Specific Floating Bonus Terms

2.1. The Floating Bonus is a deposit bonus, which is a percentage of the deposited sum that can be received when the Client makes a deposit from their Client Area.

2.2. The Floating Bonus is available for all the Company's Clients who have an open real trading account with the Company.

2.3. The Client can receive the Floating Bonus at 20% of the total deposit amount.

2.4. The minimum deposit for the Client to obtain the Floating Bonus is 100.00 USD. The amounts of deposits are summed, for the lifetime of the account. For example, the Client deposits 1 000.00 USD and 1 000.00 USD, this will be considered as 2000.00 USD for the purposes of this Floating Bonus. Deposits made using any available payment system participate in this Floating Bonus.

2.5. The Floating Bonus will not be added to internal transfers and to deposits from contests/promotions of the Company.

2.6. The maximum size of the Floating Bonus the Client can receive is 500.00 USD. Floating Bonus can be obtained on one trading account only. The Client can claim Floating Bonus multiple times, on different deposits, up to the 500.00 USD total of all Floating Bonuses received for the lifetime of the account.

Example: Client deposited 1 000.00 USD and 1 000.00 USD, has not traded, so the total balance on the trading account is 2 000.00 USD, and applied to the Company to receive Floating Bonus. Company has provided the Client the Floating Bonus of 400.00 USD considering that the Client meets the conditions. After that, the Client deposited another 1 000.00 USD and applied to receive 200.00 USD Floating Bonus. The Company shall provide only 100.00 USD Floating Bonus up to the maximum of 500.00 USD and will not provide any further Floating Bonuses.

2.7. The Floating Bonus will be available on such trading account types as the Company shall determine from time to time. The Floating Bonus shall not be available on trading account used for copytrading. In order to obtain the Floating Bonus, the Client shall contact the Company via support@forexvox.com and indicate that he would like to apply Floating Bonus to the trading account once the deposit is completed, and the Company will assess whether it can apply it to the Client's trading account type. By applying to receive the Floating Bonus, the Client acknowledges that he have read, understood, and accepted these Terms.

2.8. In case the Client has an active Floating Bonus on their account, all their funds are divided into two parts: the Client's own funds and the bonus funds. The Client's own funds consist of their deposits less withdrawals (excluding bonuses) and the profit they receive when trading using these funds. The Client's own funds can be used in trading without any limitations. The bonus funds are reflected on the trading account in the field "Credit" and can be used as additional margin for trading.

2.9. The Floating Bonus funds can be used during 'drawdown'. If Equity on the trading account is less than the total sum of balance, Client's positions will remain open until stop out is reached at 50%.

3. General Terms

3.1. Please note that it might take up to 24 hours for the Company to apply Floating Bonus.

3.2. The Company reserves the right to refuse to provide the Floating Bonus to the Client in case if there was any trading activity on the account. In case if at the moment when Company applies the Floating Bonus the Equity on the Client's trading account is less than the deposit amount on which the Floating Bonus is claimed, the Company shall only apply the Floating Bonus as per Equity at that moment of time, proportionally, within the limits stated in p.2.6. Example:

Deposit Amount	Floating Bonus Claimed	Trading Equity	Floating Bonus Applied
\$1 000.00	\$300.00	\$500.00	\$150.00

3.3. While there is any active Floating Bonus on the account the Client own funds are available for withdrawal, however, if any part of the Client's own funds or profit from trading with Client's own funds and bonus funds is withdrawn after the Floating Bonus has been claimed, the Floating Bonus will be cancelled.

3.4. The Floating Bonus lasts for the maximum 60 days from the day the Floating Bonus was applied. If after expiration 60 days the Client has a positive balance with credit applied, Floating Bonus will be automatically cancelled and removed from the account. The Client can apply to cancel Floating Bonus as any time.

3.5. Trading in Floating Bonus funds will result in usual Remuneration paid to Introducing Broker who referred the Client, if any.

3.6. The Floating Bonus can only be claimed by each Client within the limit provided in p.2.6. If any information of the Client obtained during the registration and verification, including but not limited to name, phone, address, IP address, device, matches with other Client, the Company might consider this as a violation of these Terms. The Company might at its sole discretion consider as a violation of these Terms if another Floating Bonus is Claimed by the Client's representative, close family member, affiliate or affiliated entity, affiliated entity's directors or representatives.

3.7. The Company reserves the right to cancel the Floating Bonus as well as any or all trading results from trading with Floating Bonus funds, any Remunerations, rebates or cashbacks or any payments resulting thereon upon finding that the Client violates terms and conditions of these Terms or Client Services Agreement, or is involved in any suspicious or fraudulent activity, including but not limited to registering multiple accounts

in order to claim more Floating Bonuses or in excess of the limit, making any form abusive trading, risk-free arbitrage, market manipulation, abusing technical features of Company's trading platform or other systems, or any types of risk-free activities aimed at benefiting from or exploiting the Floating Bonus without any economical reason or trading with bearing usual market risk. The Company will resolve such cases at its sole discretion.

3.8. If cancelling Floating Bonus for any reason would cause the margin to exceed the Client's own funds, the Company reserves the right to close any open positions at then-current market prices.

3.9. While there any active Floating Bonus on the account, the system might not always generate Margin Call during the 'drawdown'. Clients should maintain adequate levels of free margin in the account to maintain open positions at all times.

3.10. Any situation not described in these Terms shall be subject to the Company's decision. The Company reserves the right to change, amend, update, or cancel these Terms by posting an updated version on the website. By continuing to use the Floating Bonus Client agrees with any changes, amendments or updated to these Terms. The Company reserves the right to exclude a Client from participation in this promotion at any moment without explaining the reason.

4. Risk Warning

4.1. CFDs and FX are leveraged products and carry a high level of risk to the capital. These products may not be suitable for all Clients, so the Client shall ensure that he fully understand the risks involved.
